**7            Athletic Shoes            Value: \$ 60**

*Autonomie Project is a new Fair Trade fashion company offering sweatshop-free & eco-friendly footwear, clothing and accessories. They work exclusively with small, independent worker-owned cooperatives and Fair Trade certified facilities located in rural and developing areas of the world. These low-top sneakers from Athletic Shoes were made with 100% cotton canvas upper and tough rubber sole. The sole is produced and stamped with FSC-certified all natural and sustainable latex. 100% Vegan. Size: Men's 10.5-11/Women's 12-12.5*  
Donor: Autonomie Project

**8            Athletic Shoes            Value: \$ 60**

*Kisa low-top sneaker made with 100% cotton canvas upper and tough rubber sole. The sole is produced and stamped with FSC-certified all natural and sustainable latex. That means the rubber was actually tapped from a tree in a well managed and growing forest instead of being made from chemicals like other rubber products. A Fair Trade premium is paid to both the rubber producers in Sri Lanka and to the shoe stitchers in Pakistan. Certified by the Fair Labeling Organization and the Forest Stewardship Council. 100% Vegan. Size: Men's 2/Women's 3.5*

Donor: Autonomie Project
